

Issue	Where	Priority	Contacts	Actions	Outcome
Know Your Wild Washoe	Washoe County -- southern	1	Tina Nappe Susan Juetten David von Seggern	This is a Toiyabe Chapter project with a paid staff person. It addresses Washoe county planning in northern Nevada for preservation of open space.	10/23/2007 A very successful public meeting will lead to final planning for open space. Tina serves on stakeholder committee.
Cool Cities	Reno, Sparks	2	David von Seggern	A group called Nevadans for Climate Protection has been formed to push implementation of local government policies to support the agreement.	Both mayors have signed the Cool Cities Agreement.
Nevada Clean Energy Coalition	Ely, Nevada and elsewhere	1	Lydia Ball Jane Feldman Charles Benjamin, Western Resources 775-671-5690 cell	This group is filing protests against federal permits for coal-fired power plants in Nevada and raising community consciousness around Nevada on alternative energy.	Senator Reid is opposed to coal-fired plants on public lands in eastern Nevada.
East Valley Highway	east side of Reno near Hidden Valley	3	Valerie Anderson	Regional Planning Commission has approved a route that will pass through the Rosewood wetlands.	

Issue	Where	Priority	Contacts	Actions	Outcome
Tahoe Meadows Motorized Recreation	Tahoe Meadows off Mt. Rose Hwy.	3	Gail Ferrill	Snowmobile recreation still allowed in portions of Tahoe Meadows. The purchase of Incline Lake property by USFS may allow this issue to be revisited.	
Truckee Meadows Flood Coalition	Truckee River flood plain in Reno-Sparks area	2	Dennis Ghiglieri	This is now in an implementation stage and awaits EIS from the Corp of Engineers. Some issues remain however.	
Public Lands Bills	Pershing, Washoe, Lyon, Carson City, and other northern Nevada counties	2	Rose Strickland	Reid and Ensign wish to push lands bills similar to the most recent White Pine Co. bill for remainder of Nevada counties. Public input will be needed to attain conservation objectives.	no new public lands bills as of late 2007
Walker Lake	near Hawthorne Nevada	2	Rose Strickland Dennis Ghiglieri	Ad hoc deliberative body has disintegrated. Hawthorne interests may seek judicial remedy to preserve Walker Lake. Walker River basin water is overallocated. UNR and DRI have been appropriated \$10M	
Peavine Mt.	just outside Reno -- mostly USFS lands	2	Rose Strickland	possible annexation of inholding properties on Peavine by city of Reno	

Issue	Where	Priority	Contacts	Actions	Outcome
Water trans- fers	Pershing Co. to Fernley	1	Dennis Ghiglieri Rose Strickland	Permits have been filed to pump and transfer over 20,000 acre-ft of water from Granite Springs Valley to Fernley.	
Sand Mt. Blue Butterfly	Sand Mt., Churchill Co.	3	David von Seggern	The BLM has been forced to con- sider putting the blue butterfly, which exists only in this location, on its endangered species list. Is- sue on hold until they make a de- cision.	blue butterfly not listed. BLM will go forward with habitat protection plan.
Trapping near estab- lished trails	in and around Reno	3	Carol Tresner	Carol Tresner has initiated action with NDOW and is looking for an advocate on county commission	NDOW issued a ruling that prohib- its trapping along the Sierra front from Reno to Minden.
Regional wa- ter planning	Reno, Sparks, and Washoe Co.	2	Dennis Ghiglieri Rose Strickland	a bill is in committee in Nevada legislature to create a super water authority for Truckee Meadows area to seek further supplies	Bill did not pass the 2007 legisla- ture.
Open spaces and green- ways	Reno, Sparks, and Washoe Co	2	Valerie Anderson Tina Nappe	all three government entities have open space plans in various stages. Not coordinated and little or no actual funding to realize many points of the plans.	

Issue	Where	Priority	Contacts	Actions	Outcome
N. Washoe Lake Project (USFS)	west of Washoe Lake to the crest of Sierras	3	Dennis Ghiglieri Marge Sill	Needs continual vigilance to make sure it's done right.	
Virginia Mtns.	access points on south and east side of mountains	2	Holly Coughlin	Need to remind BLM periodically of the off-road vehicle abuse. Regular cleanups needed.	
Toiyabe-Humboldt Forest Plan revision	Toiyabe-Humboldt National Forest	2	Marge Sill	The USFS has undertaken to revise the management plan for the T-H national forest. This is not a NEPA process, and has no normal public input.	2007 court ruling now requires USFS to apply NEPA again to these plans
Sustainable Food Consumption	all of northern Nevada	3	Philip Moore	support for public farmers' markets help in establishing community-based farms and providing stable markets for them utilize the new food cooperative in Reno on Wonder St. near Wells	
Sheldon Antelope Refuge	northwest Nevada	3	Tina Nappe	The numbers of horses and burros ranging there has grossly exceeded the designated numbers. USF&WS resources to solve problem are low and they even suggest higher numbers. We must make input to all decisions.
