

Top Ten Reasons to join the Sierra Club

1. Joining assures you the **benefits of membership** in the national Sierra Club as well as the Great Basin Group.
2. **The Toiyabe Trails**, the Nevada and the Eastern Sierra newsletter, comes to you packed with useful outings information, conservation topics and articles on local issues every other month.
3. **Local guided hikes** (usually 4-6 per week) include urban conditioning hikes, longer day hikes, backpacking, car camping, snowshoeing, cross-country skiing, kayaking, and educational excursions.
4. **Service projects** offer “hands-on” opportunities to participate in preserving our beautiful area while having fun with a group.
5. You’ll be **helping the planet** by joining – the Sierra Club supports lobbying and grassroots action to preserve wild lands and wildlife and to protect our air and water.
6. You’ll stay well-informed with your included member’s subscription to **SIERRA magazine** – filled with spectacular nature photography and in-depth reporting on the hottest environmental issues.
7. Access to incredible destinations - Each year Sierra Club Outings offers thousands of **adventure trips** around the world. For details, visit www.sierraclub.org/outings.
8. Membership provides opportunities to **make new friends** and meet lots of like-minded outdoor folks in your area.
9. The local group offers social events include **meetings, parties and educational training classes** throughout the year.
10. **The Sierra Club Store offers discounts** to members on selected Sierra Club logo items, books and celebrated calendars. Visit the store: www.sierraclub.org/store.
